HUMAN RESOURCES UPDATE 4/15/20

Good morning everyone,

I hope this email finds everyone healthy. COFCCA, an organization that we belong to that supports child welfare agencies, has put together a weekly informal support group for anyone who has or is recovering from COVID-19. If you'd like to participate, please see the timing and call in # below.

Donna

Hi Everyone. Sorry for the additional email, but we've been asked to clarify a few things:

These calls will take place every Friday morning at 10:00am.

They are meant to be informal discussions/conversations - no medical professional leading the group or offering advice, no official business conducted.

The duration will depend on participants themselves.

Hope this clears things up.

Many of you have staff/will have staff who have COVID-19. This is a unique situation that is scary, unknown and physically/emotionally isolating.

Going forward on Fridays, starting April 17, there will be a half hour call/support group for staff with or recovering from COVID-19. This group will be led by Lisa, who is recovering herself from COVID-19. Staff can join for as many weeks as they would like, no commitment of any kind. All staff/all job titles with/recovering from COVID-19 are invited.

Please share this with all of your staff. The call in number is 646 889 2259.

Any questions, please reach out to Lisa: lgitelson@cofcca.org.

Stay healthy and strong together!
