

Parents and Guardians,

We are writing to inform you that children ages 12+ are eligible to receive the Pfizer-BioNTech vaccine.

At this time, Green Chimneys is unable to administer the vaccine. However, we are keeping our staff and families up to date with distribution points across the state.

Please reference the following link to search for available appointments. It is also recommended to follow your local health department on social media as they frequently post distribution sites.

<https://am-i-eligible.covid19vaccine.health.ny.gov/>

Putnam County has also asked that parents participate in this vaccination survey to help with creating vaccine availability:

<https://survey.alchemer.com/s3/6318979/Putnam-County-COVID-19-Vaccine-Survey-for-Parents>

Please be sure to submit a copy of your child's vaccine record to the school nurse or Health Center
